### Year 11 Maths

Below	On	Above
0	5	9
0	36	64%

Very pleasing data for KS4 indicating good and outstanding progress for the cohort as a whole. As in KS3 there are those underperforming and these pupils are targeted for intervention. It is also worth mentioning that one of the reasons our pupils reach their targets is our use of interventions, especially for the least able.

Attainment ranges from Entry level 1 to Level 1 and 2 functional skills and GCSE.
