

Ofsted's Education Inspection Framework (EIF) 2019 defines curriculum intent as **'the extent to which the school's curriculum sets out the knowledge and skills that pupils will gain'**

Subject name; Life skills; out and about

General Statement of Intent During our Life skills are part of the KS3 Creative Curriculum. Through these sessions we aim to support our students in developing their ability to manage the demands and challenges of day to day life out of the home as they transition into adult world.	
Knowledge; Students will learn how to manage and look after money, find their way around the local area, read timetables, understand weights, measures and pricing and about modes of travel. Skills; students practise how to communication appropriately when they are out and about and practise how to make decisions and solve problems. A key part of their learning is where to get appropriate help from should they need it.	
Assessment strategies including external examinations	NA
Any additional notes	None
