

“Bringing out the Best in Everyone”

Welcome to the Governing Board of Pebble Brook School

The Governing Board plays a vital role in the strategic management of the School, working closely with the Headteacher and Senior Leadership Team.

Key Functions:

- Ensure clarity of vision, ethos and strategic direction
- Hold the Headteacher to account
- Monitor the school's finances
- Ensure the voices of stakeholders are heard

Committees:

In addition to the Full Governing Board there are two main committees, Curriculum & Standards and Finance Premises & Personnel. Both have delegated powers to enable governors to have detailed discussion and make decisions. The Full Governing Board and committees meet once a term.

Link Roles:

Governors also have a link role to monitor and review outcomes for children. This gives governors the opportunity to go into the School and meet with subject leaders, pupils and attend special events.

Our school Vision to 'Inspire and Enable our school community to 'Prepare for Adulthood' whilst 'Bringing Out The Best In Everyone' recognises the potential of every child; as a governing board we believe in a collaborative approach, working with pupils, families and the community, to prepare children for the challenges and opportunities they will face.

Whilst your first point of contact for matters regarding your child remains their Class Tutor and then the Senior Leadership Team the Governing Board can be contacted at chairofgovernors@pebblebrookschoo.com
