

**Subject name: FED Lunch Cafe KS5**

**General Statement of Intent**

In January 2024 6<sup>th</sup> form students have started working on opening their own Lunch Café and they have been engaged in setting this up like a business (with adult guidance).

The aim of this project is to give students an opportunity of running own small business as a part of a team, they will need to work collaboratively to achieve an outcome in a given time frame and they will then try to make a profit.

This experience gives our students a taster in preparation for working life in a variety of industries as their work will include: graphic designing and advertising, food ordering, food preparation, front of house/service experience, data analysis, looking after finances, leading a team and adhering to health and safety.

This project will allow students to develop a range of skills within tasks they will be required to take part in such as:

- Planning their work
- Decision making
- Inclusion of everyone's views and ideas (democracy)
- Team work
- Communication
- Leadership
- Adaption to changes
- Organisation skills
- Listening to instructions

This project is cross-curricular to: Functional Skills in English and Maths, Finance, Enterprise.

Assessment strategies including external examinations

Skills, SIRS and W4U targets on Earwig.

Progress record completed by subject leader and students.
