

Exam results at the end of year 11 and 13 2022-2023

We do not have any students taking the Ebacc, as we are a special school and this is not appropriate for our pupils. We offer maths and Art GCSEs only currently. Our students are entered for functional skills in English and a variety of entry level and L1/2 qualifications in maths as well as functional skills.

Our pupils take exams when they are ready and often will take exams in year 10 as well as year 11. This continues into the sixth form.

Please see following document on our website for destinations of leavers and more detail on qualifications achieved.
